

# Play Football Self Registration Portal

---

As a Participant looking to register for the up-coming season, you will need to create a **Football Account** (<https://www.ffa.com.au/football-account>)

Any existing participants will have to '**claim**' their account details, when a participant creates a **Football Account** the details used to create the account will be checked to see if there is any details from Myfootballclub that match.

If there is a match the participant will need to 'claim' those details as their own and proceed with their registration.
